Global Chalice Lighting for February 2010

The International Council of Unitarians and Universalists announces the 78th in its monthly series of global chalice lighting readings. Congregations worldwide are invited to participate.

All ICUU-affiliated groups have been asked to submit brief chalice lightings for the project. Every month, a reading will be distributed to Unitarian and Universalist congregations around the world. **We ask each congregation to use the reading for at least one worship service in the designated month, identifying it as the “Global Chalice Lighting” for that month and naming the group which submitted it.** Readings will be circulated in English and, where different, in their original language.

It is hoped that the ICUU Global Chalice Lighting Project will enhance the worship experience in our congregations and raise awareness of the international dimensions of our religious movement.

This Global Chalice Lighting, in Hungarian and English, is to be used during February 2010.

Ti vagytok a világ világossága. Nem rejtethetik el a hegyen épített város. Gyertyát sem azért gyűjtanak, hogy a véka alá, hanem hogy a gyertyatartóba tegyék és fényljék mindazoknak, a kik a házban vannak. Úgy fényljék a ti világosságtok az emberek előtt, hogy lássák a ti jó cselekedeteiteket, és dicsőítsék a ti mennyei Atyátokat.

You are the light of the world. A city set on a hill cannot be hidden; nor does anyone light a lamp and put it under a basket, but on the lampstand, and it gives light to all who are in the house. Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven.
